**March Caller  
Deadline**  
- February 10 -

(By Amy Benson, Generosity Committee)

February is the time where we, as Disciples, choose to focus on Compassion, a ministry serving communities in need throughout the world. Many may remember an historic tornado outbreak in December of 2021 in western Kentucky, where these outreach dollars went to help. More recently, following the Hamas attacks in Israel in early October, our donations to Week of Compassion (the relief, refugee and development mission fund of the Christian Church, Disciples of Christ) have helped with immediate needs such as food, water, shelter, medical care and sanitation in the Middle East. I invite you all to check out [weekofcompassion.org](http://weekofcompassion.org) for inspiring stories and more information about where our donations are going to work, from as nearby as our neighboring state to as far as the other side of the world.

This year's theme is "Gifts to Live On." For the second year, we will have a silent auction of gift baskets donated by Sunday School classes, church committees, and individuals. The Silent Auction will begin on Sun., Feb. 4 with bidding closing on Sun., Feb. 18. The baskets will be on display in the Gathering Area and will offer something for everyone! Do you have any creative ideas to put together a basket yourself? Let's all get involved, to meet our goal of \$20,000 or beyond...to reach further and to grow our impact globally!

*[Jesus] looked up and saw rich people putting their **gifts** into the treasury; he also saw a poor widow put in two small copper coins. He said, "Truly I tell you, this poor widow has put in more than all of them, for all of them have contributed out of their abundance, but she out of her poverty has put in all she had **to live on**." Luke 21:1-4 (NRSVue)*

### Ash Wednesday

February 14

Let us start off the season of Lent, which also happens to be Valentine's Day, acknowledging our need to recommit ourselves to God, the source of all Love and Life. A special station will be set up in the Sanctuary and you are welcome to stop by anytime during the day for a time of personal devotion and self-serve ashes OR join us at 7:00 pm for an evening worship service of music and meditation including the imposition of ashes.

### Lenten Daily Devotions

We encourage you to find a daily devotional that will deepen your relationship with Christ during this holy season of Lent. There are many online options to choose from. Here are a few recommendations:

Kate Bowler - "Have a beautiful, terrible Lent"

[https://katebowler.com/seasonal\\_devotional/have-a-beautiful-terrible-lent/](https://katebowler.com/seasonal_devotional/have-a-beautiful-terrible-lent/)

Ohio Region is planning on running a daily devotional. Watch for more information.

### Homemade Chocolate Fundraiser

Before and after Sunday School and after our Worship Service on Sun., Feb. 11, you will be able to purchase yummy chocolate delectables with the proceeds supporting future Diversity, Equity, and Inclusion initiatives. Hint: Valentine's Day will be only a few days away!

# Shalom from Shelby

The introduction to the Feasting on the Word Lenten Companion (ed. Bartlett, Brown Taylor, and Bracken Long) begins with the following claim:

"Easter is the highest holy day of the Christian faith, but to celebrate it in a vacuum, without immersion in all that comes before the resurrection—both chronologically and theologically—robs the day of its true significance. Lent can be a hard sell for many worshipers, with its intentional solemnity and encouragement toward self-denial. Others find it to be the most meaningful time of year—the most honest time of year, when we wrestle with the hard things of life and walk with Jesus through the darkest days of his life as well." (vii.)

In the past, I have found myself among those who dreaded the season of Lent. Though I appreciated the trials and tribulations that Jesus endured, to focus on them for six whole weeks felt pretty gloomy. I'd rather skip to the beauty and power of the resurrection. However, I have struggled with clinical depression since I was in middle school - a difficult mental illness that can be all-consuming. This past year and a half was very difficult for me as I battled a deep depression that seemed to suck the life right out of me. I didn't feel like myself and struggled to connect with others and with God. Though I am a mental health advocate (for others), it can be challenging to share one's own struggles. I know I am not alone - everyone faces seasons of difficulty and pain. And this year, as we have begun our preparations for the upcoming Lenten season, I've noticed a shift in my perspective. I am grateful to say that the combination of a medication change and the birth of my son brought me out of my depression and into a season of great joy. But I have recently felt the deep despair and loneliness that allows me to re-identify more personally with the journey of Jesus... that which comes before the joy of the resurrection.

What a comfort it is to know that my God experienced the complicated mix of suffering and delight that is being human. What a consolation that God chose solidarity with humankind and understands our pain, our fears, our hopes, and our heartbreak. So if we open ourselves up to the discomfort, we may just find solace in a season that takes an honest look at the hardships of life and faith. There might be relief in letting go of the illusion that we have it all together. If we allow ourselves to explore what it means that Christ suffered and died on the cross, we could discover new depths of our faith and learn something about ourselves in the process. This year, let us see the season of Lent as an opportunity to bring fresh meaning to familiar texts.

As the introduction in the Feasting on the Word Lenten Companion later says, "It is dangerous to meet Jesus in the dark places, to ask the same questions of ourselves that Jesus asks of his disciples, to accept Jesus' radical touch. In these moments of utter truth and honesty, we find ourselves vulnerable enough to connect with the risen Christ as never before." (vii.)

May it be so.

Shalom, Shelby

### Next Official Board Meeting

Tuesday, February 13, 7:00 pm

Fellowship Hall & Zoom

Everyone is welcome to attend!

### Chairman's Minute

Acts 20:28 *"Keep watch over yourselves and all the flock of which the Holy Spirit has made you overseers. Be shepherds of the church of God, which He bought with his own blood".*

It's February. You, the congregation, have approved our 2024 roster of Elders, Deacons and Trustees and we'll be orienting new Board members later this month. Acts 20:28 is the scripture I use to set the tone for the Board's work each year as we discern God's calling, make decisions and move His mission forward through us all.

The Official Board is responsible for the Strategic Planning, Finances, Staff Performance, Legal Compliance and Board Records. It consists of 25 voting members who represent the congregation in different capacities. Each possesses life or work experience that compliments the rest of the Board; a commitment to the church and to supporting it; a strong prayer life and; a willingness to be prepared for monthly meetings.

As your Board Chair, my message to you is that we're all in this together and we're all responsible for the effective governing of this blessed church. To that end, I ask each of you to get to know your Board members and support them with your prayers, thoughtful insights and wise council. Take your queue from 1 Thessalonians and Ephesians: *Therefore encourage one another and build one another up, let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear.*

It really feels like this is the year we turn a corner. I expect good things in 2024...I hope you do too.

I invite you to connect with me as you are so called at 330-416-1232 or [kkaufman@fccwadsworth.org](mailto:kkaufman@fccwadsworth.org). Yours in Christ, Kevin Kaufman, Board Chair. May the grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with us all. Amen.

The DEI Committee welcomes anyone interested in joining our committee. Our next meeting is on Thurs., Feb. 8, at 7:00 pm in Room 104 and Zoom. We will be continuing our work on hearing accessibility for our services and working out details

for our upcoming chocolate fundraiser. Yum! You don't have to officially join DEI to attend this or any other meeting. Fee free to "sit in" anytime to get a feel for what we do. Questions can be directed to Mary Ellen Huber (216-390-8456 or [sharpei5015@gmail.com](mailto:sharpei5015@gmail.com)).

**Sympathies** to Mike and Amy Benson on the death of his father, Dennis Benson, Jan. 24.

**Sympathies** to Dawn, David, and Robert on the death of her father-in-law and their grandfather, Richard Holt, Jan. 20.

### Dear Church Family

We are so appreciative of the gifts we have received from our church family. The Christmas bag had such a nice variety, we enjoyed it all. The cards through the year are always "warm fuzzies." The notes and gifts from "God's Kids" are precious. They are learning to share God's love - a great lesson. Those that help us with shopping and appointments. The Elders that bring us communion and fellowship. Thank you for such great blessings. George & Lois Garman

Join us as we get back together as guys over a cup of coffee to form REAL bonds with each other and God.

In preparation for Easter, we will study the book of John. Our friend, Derek Maul's Lenten devotional book, *Reaching Toward Easter*, will guide us. Derek's daily devotions are filled with hope and provide us with a great mix of personal stories and in-depth exploration of the scriptures. We will use this material guide us a step closer to the risen Christ.

Join the guys of FCC Wadsworth and Medina.

Thanks to all who joined us for the January 6, Specialty Chili/Soup Challenge. We had 10 Chili/Soup aficionados preparing their best: including two prior chili-champions (Lenora Taylor and Paul Huber), a three generation team (Karen Longfield, Katie and Annabelle Boorman) and Rachel Trease a brand new member of our congregation, preparing their favorites.

All were delighted to give away their specialty to members of our congregation, guests, people who read of our event in Medina Gazette, heard about our event on Wadsworth Community Radio and even our member of Congress came in for chili and conversation. Laurie Beal, Director of Ministry, at The Garage joined us to answer questions and thank our congregation for our support, and see the Free-Will offerings donated by our grateful chili/soup consumers. We received \$591, including Sunday, when the last two dozen plus containers went out the door with exiting worshipers. Everyone enjoyed this opportunity to get together over lunch and vote for their favorite chili/soup. Paul Huber successfully defended his 2023 victory as Chili Champion for 2024.

Thank you for your continued generosity with the suggested food and personal care items brought in Red Bags each month. The Wadsworth Salvation Army's emergency food pantry is so grateful for 1,018 items you donated last year to stock their pantry for the emergency needs in our community. February's suggestion, printed on the bag, is pancake mix & syrup, but all items are appreciated.

Thanks to all who joined us for Feeding Medina County's Wadsworth Food distribution on Jan. 25 at Art Wright Stadium. It turned out to be a mild winter day, but we served nearly two hundred families. We'll be the lead volunteer organization again on Thurs., June 27, if you want to have a good feeling by helping provide food for our neighbors in need.
